Assiniboine Chief Rosebud Remembers Lewis and Clark (DVD), Valley County Historical Society, 2004

◇ In the spring of 1805, the Lewis and Clark Expedition spent 29 days traveling through Assiniboine (Nakoda) hunting territory. They noted many signs of the people that lived on those upper Missouri plains, but made no effort to reach them. The expedition, however, was being watched by the Nakoda. This is the story from that camp.

A Broken Flute: The Native Experience in Books for Children, edited by Doris Seale and Beverly Slapin, AltaMira Press and Oyate, 2005

◇ This book deals with the issue of cultural accuracy in books for children and evaluates hundreds of books for children and teenagers published from the early 1900s through 2004.

Encyclopedia of American Indian Contributions to the World: 15,000 Years of Inventions and Innovations, edited by Emory Dean Keoke and Kay Marie Porterfield, Facts on File, Inc., 2003

◇ This meticulously researched volume is a comprehensive resource to the numerous inventions and innovations made by the indigenous peoples of North, Meso-, and South America. It contains over 450 entries which are alphabetically arranged and fully cross-referenced.

Fire on the Land/Beaver Steals Fire, Confederated Salish and Kootenai Tribes, 2005

◇ *Fire on the Land* is an interactive DVD that includes information on Salish tribal history, the history of Salish fire use, fire ecology, fire management activities on the Flathead Indian Reservation, and other resources on the topic of Indian fire use. *Beaver Steals Fire* is a DVD of an ancient tale of the Salish people which "teaches both respect for fire and awareness of its significance."

Native America in the Twentieth Century, An Encyclopedia, edited by Mary B. Davis, Garland Publishing, Inc., 1996

◇ The emphasis of this is on Indian peoples today.

Native North American Almanac: A Reference Work of Native North Americans in the United States and Canada, Second Edition, edited by Duane Champagne, Gale Group, 2001

◇ Comprehensive volume which provides historical and contemporary information about the Native peoples of North America. It includes a broad range of topics, including history and historical landmarks, health, law and legislation, activism, environment, urbanization, education, economy, languages, arts, literatures, media, and gender relations.

The Story of the Bitterroot, Looking Glass Films, 2004

◇ The DVD tells how important the natural world is to Native American cultures. Specifically, the bitterroot plant is used to demonstrate the link between the natural world and Salish tribal culture, past, present, and future. The Salish tribal perspective on the Lewis & Clark expedition is also presented. A lesson plan, published by the Office of Public Instruction, which presents goals, themes, questions, and answers, activities, and vocabulary for each section of the DVD geared to the 8th grade, complements this.

Tribal Nations: The Story of Federal Indian Law, Tanan Chiefs Conference, 2006

◇ This documentary DVD is a beautifully illustrated introductory history of how Federal Indian Law developed in the United States and the impacts federal policies have had on American Indian and Alaska Native people.

Two Worlds at Two-Medicine (DVD), Going-to-the-Sun Institute and Native View Pictures

◇ In the summer of 1806 while the Lewis and Clark Expedition was heading home from the Pacific Ocean, Meriwether Lewis had a life-or-death encounter with a party of Blackfeet. This is the story of that encounter as told by American Indian elders, educators, and cultural historians.

Elementary Schools (including Middle Schools/Junior High Schools)
